

IRIS – Installation GUIDE

IRIS – Istruzioni di installazione

IRIS Range**Technical Document for Installation Procedures****1. Introduction**

This document describes installation procedures for IRIS range, namely models:

- IR902ISC (double bowl),
- IR901ILSC & IR901IRSC (single bowl, left hand drainer & right hand drainer),
- IR9015ILSC & IR9015IRSC (1 bowl & 1/2, left hand drainer & right hand drainer).

Because of the low room available underneath, some specific solutions have been developed, in order to simplify installation operations.

2. Cabinet Sizes

This range is suitable for following cabinets:

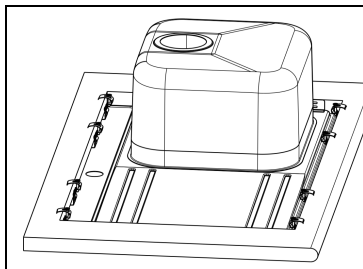

- IR902ISC: minimum cabinet size 900 mm
- IR901ILSC, IR901IRSC: minimum cabinet size 450 mm
- IR9015ILSC, IR9015IRSC: minimum cabinet size 800 mm

3. Cut out sizes

480 X 860 mm

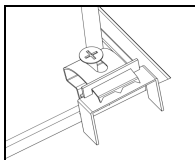

Warning:

- Size 860 mm is bigger than usual (usual is 480 x 840)

N° 4 fixing clips code **1410194** per side

Drainer side and bowl side when there isn't the cabinet wall

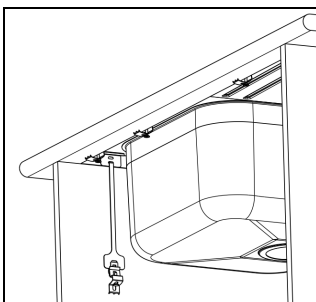

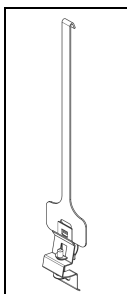

Bridge to be used only for low thickness worktop.

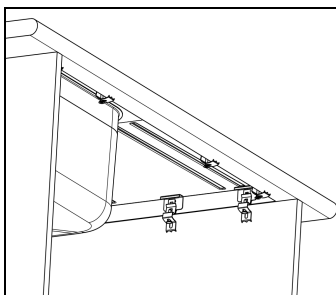

- n° 3 fixing clips (code **1410212**) **drainer side**
- N° 2 fixing clips (code **1410212**) **bowl side**

Bowl side when there is the cabinet wall

- N° 2 fixing clips (code **1410211**) per side
- N° 2 Hooks (code **2740469**) per side

Drainer side when there is the cabinet wall

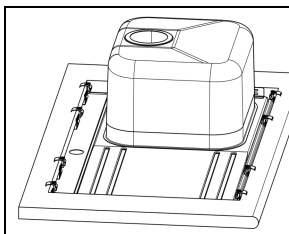

- N° 3 fixing clips (code **1410211**)

TOTAL :

- N° 8 fixing clips code **1410194**
- n° 5 fixing clips code **1410212**
- N° 2 Hooks code **2740469**
- N° 5 fixing clips code **1410211**

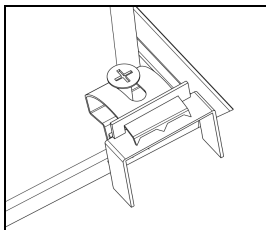

5. Installation of IRIS double bowl (IR902ISC)

Long sides

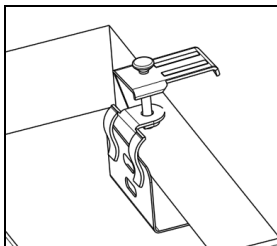

- N° 4 fixing clips code **1410194** per side

Bowl side when there isn't the cabinet wall

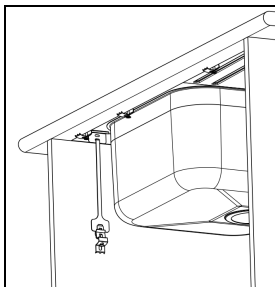

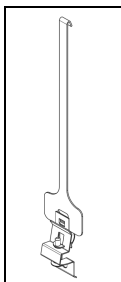

Bridge to be used only for low thickness worktop.

- n° 2 fixing clips code **1410212** per side

Bowl side when there is the cabinet wall

EN

- N° 2 fixing clips code **1410211** per side
- N° 2 Hooks code **2740469** per side

TOTAL:

- N° 8 fixing clips code **1410194**
- n° 4 fixing clips code **1410212**
- N° 4 Hooks code **2740469**
- N° 4 fixing clips code **1410211**
